Children are provided with an age appropriate curriculum taught by experienced and loving teachers. The lesson plan is one that focuses on expanding your child's knowledge and awareness of the world through stories, games, crafts, and learning activities. In addition to the academics, children enjoy multiple free-play areas (including water, sand, dramatic play, blocks, science, manipulative games, and toys), as well as organized gym time daily.

We look forward to a fun fall program. Please give us a call or stop by with any questions you might have.

Thank You,
Zero Gravity
